

J-Gate Online Workshop

2nd November, 2023

Time: 3:00 PM onwards

About J-Gate :

J-Gate is a bibliographic database that acts as an e-journal access gateway where users can search or browse journals of different publishers worldwide in one single platform. This training session will be a part of our subscription to J-Gate through CeRA.

About Training:

This training session will be exclusively designed for the Faculty Members, Ph.D. and M.Sc. Students of Sri Karan Narendra Agriculture University. The aim is to demonstrate the exclusive features & and functionality of this Journal Discovery Platform (eResource platform). Additionally, We will create individual user profiles within the J-Gate accounts of "Sri Karan Narendra Agriculture University". This will help users quickly search for articles/journals and receive timely alerts on publications worldwide in real time.

- ❖ Brief overview and introduction to the J-Gate @ CeRA platform.
- ❖ Features & Functionalities. (Including new developments)
- ❖ Live product demonstration.
- ❖ Answering queries & and taking inputs. (Online Q&A Session)
